

**THE BARBARA MEYERS PELSON ('59) CHAIR
IN FACULTY-STUDENT ENGAGEMENT**

The Barbara Meyers Pelson '59 Chair in Faculty-Student Engagement recognizes and supports faculty who have a distinguished record of faculty-student collaborative scholarship and teaching, and are exemplars of the teacher-scholar model. Barbara Meyers Pelson benefitted from TCNJ's outstanding education and now, through her gift, she has afforded the College the privilege and opportunity to promote faculty-student educational collaboration even further. This Chairship celebrates the engagement of students in their own education and the creation of a collaborative intellectual community as hallmarks of the TCNJ experience. The Barbara Meyers Pelson '59 Chair is a three-year appointment and is open to full tenured faculty members from all Schools.

More information, including application instructions, may be found on the Academic Affairs website.
